SECTION 1: INTRODUCTION

This policy is intended to ensure that all Special Occasion Permits obtained and operated within Municipal Properties of the Township of Zorra are managed effectively and properly and it is also intended to promote a safe, enjoyable environment for those who use these facilities.

To monitor effectiveness of the Municipal Alcohol Policy (M.A.P.), Council shall initiate a yearly review by Township staff. A review of the effectiveness of the M.A.P. shall be completed and amended by Township Council at least every four years, or more often if deemed necessary. Any such review should be based on information by Township staff, facility users and other invited sources with the view of suggesting policy changes, if required.

SECTION 2: POLICY GOALS

The Township of Zorra wants residents and visitors to enjoy the various facilities within the Township. In order for the Township to ensure the health and safety of its participants, minimize risk and liability and to protect its facilities, the Township has developed a Municipal Alcohol Policy that will encourage the responsible use of alcohol for those individuals or groups wishing to host special occasion functions on Township properties.

It is the intention that this policy will help to reduce alcohol related problems that may arise from irresponsible alcohol consumption within its facilities and to promote a safe, enjoyable environment for users of these facilities during such functions.

Our goal is to encourage responsible use of alcohol during Special Occasion Permit (SOP) functions, to ensure the health and safety of the participants and the protection of Township of Zorra and its facilities.

SECTION 3: POLICY OBJECTIVES

1. To inform the permit holder(s) of their responsibilities in ensuring proper supervision and operation of Special Occasion Permit (SOP) Events to help protect the organizers, participants, volunteers and Township from liability.
2. To provide appropriate procedures to individuals or groups wishing to hold events in Township facilities in order to ensure that all Alcohol and Gaming Commission of Ontario (AGCO) legislation pertaining to SOP Events is properly understood and complied with.

6. To inform user groups about the penalties for violation of alcohol related rules of conduct.

SECTION 18: OUTDOOR EVENTS/FESTIVALS

Outdoor events are those which take place outdoors or in a temporary structure, such as a tent or marquee. The outdoor area must be clearly defined and separated from unlicensed areas by a minimum 36" high partition.

Festivals and events can define an area larger than outside beer tents where people can walk around freely with drinks. Local communities are free to customize the events to their needs.

AGCO may be involved to discuss public safety issues with the permit holder.

Notification must be made to local municipality, including clerk, police, fire and health department and AGCO 30 days notice for events where fewer than 5,000 people attend and 60 days notice for events where 5,000 or more people attend.

If a SOP has been issued for an outdoor event that has both licensed areas (bars, restaurants) and areas to which the SOP applies (i.e. Street on which the event occurs), patrons can move freely between these areas with a single serving of alcohol, under certain conditions and where permission has been granted by the AGCO.

The Fire Chief and Chief Building Official will determine maximum capacity for outside tents based on exits and floor area.

For potential problem rentals, the Township reserves the right to require the presence of minimally two (2) paid duty police officers or Licensed and bonded Security Company for the duration of an event. Number of security will be determined by the Township and this cost will be borne by the Event Organizer or individual.

SECTION 19: INFRACTIONS AND FAILURE TO COMPLY WITH POLICY/ ENFORCEMENT PROCEDURES AND PENALTIES

The consumption of alcoholic beverages is prohibited in the majority of parks and service facilities within the Township of Zorra. Zorra Township has a zero tolerance policy on the consumption of alcohol on municipally owned property where proper permits have not been obtained.

The permit holder of the SOP must work within the Liquor Licence Act and the MAP. Should difficulties arise and the permit holder is unable to meet these requirements, the event may be stopped and permit cancelled, future rental privileges may be refused and/or the deposit may be withheld.
