

Addendum No. 1

TENDER 2017-09

TRACTOR AND MOWER COMBO UNIT

To: **All Tenderers**

Issued: **JUNE 26-2017**

1. The Tractor shall have sufficient counterweights installed to offset the weight of the Boom Mower proposed by the bidder.
2. Any auxiliary hydraulic fluid tank to run any part of the equipment being proposed shall be placed under the fender of the tractor to also serve as a counterweight.
3. A sweeper is not part of this tender. We plan on mounting an exiting sweeper on this tractor.

The tenderer shall sign this Addendum in the space provided below and shall submit this addendum to the Township of Zorra in the same envelope as the Tender.
