All costs related to this specification will be deemed to have been included in the appropriate tender items and no separate payment will be made therefore.

PROPERTY OWNERS’ RELEASE OF PIT AREAS AND WASTE DISPOSAL AREAS ON PRIVATELY OWNED AND MUNICIPALLY OWNED LANDS

In accordance with the Conditions set out in Subsection 106-1 of the General Conditions of the Contract, the Corporation may, without further notice, withhold payment of monies due the Contractor until the Contractor shall have provided the Director of Public Works with a copy of a release signed by the owner of each pit or waste disposal area used by the Contractor.

SPECIAL PROVISIONS FOR LIQUIDATED DAMAGES

a) **Time**
Time shall be the essence of this agreement.

b) **Progress of The Work and Time for Completion**

The Contractor shall complete this Contract in its entirety by the "Date of Completions" specified in the Information to Bidders.

If this time limit is not sufficient to permit completion of the work by the Contractor working a normal number of hours each day or week on a single daylight shift basis, it is expected that additional and/or augmented daylight shifts will be required throughout the life of the Contract to the extent deemed necessary by the Contractor to ensure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices bid for the various items of work and no additional compensation will be allowed therefore.

If the Contractor is delayed in the completion of the work –

- i. by reason of changes or alterations;
- ii. by reason of any breach of contract or prevention by the Corporation, or other contractor of the Corporation or any employee of any one of them;
- iii. by reason of delay by the Corporation in issuing instructions or information or in delivering materials;
- iv. by any other act of neglect of the Corporation or any other contractor of the Corporation or any employee of any one of them;
- v. for any cause beyond the reasonable control of the contractor; or
- vi. by acts of God, or of the public enemy, Acts of the Province or of any Foreign State, fire, floods, epidemics, quarantine restrictions, embargoes, or delays of sub-contractors due to such cases, the time of completion may be extended in writing at any time on such terms and for such period as shall be determined by the Corporation, and notwithstanding such extensions, time shall continue to be deemed of the essence of this contract.

An application by the Contractor for an extension of time as herein provided shall be made to the Corporation in writing on the form prescribed at least fifteen (15) days prior to the date of completion fixed by the Contract. All bonds or other surety furnished to the Corporation by the Contractor shall be amended where necessary at the expense of the Contractor to provide coverage beyond the date of any extension of time granted and the Contractor shall furnish the Corporation with evidence of such amendment of the bonds or other surety.

Any extension of time that may be granted to the Contractor shall be so granted and accepted without prejudice to any rights of the Corporation whatsoever under this

Contract, and all of such rights shall continue in full force and effect after the time limited in this Contract for the completion of the work and whenever in this Contract power and authority is given to the Corporation or the Director of Public Works or any person to take any action consequent upon the act, default, breach, neglect, delay, non-observance or non-performance by the Contractor in respect of the work or Contract, or any portion thereof, such powers or authorities may be exercised from time to time and not only in the event of the happening of such contingencies before the time limit in this Contract for the completion of the work but also in the event of the same happening after the time so limited in the case of the Contractor being permitted to proceed with the execution of the work under an extension of time granted by the Director of Public Works.

c) Liquidated Damages

It is agreed by the parties to the Contract that in case all the work called for under the Contract is not finished or completed within the date of completion specified aforementioned damage will be sustained by the Corporation, and that it is and will be impracticable and extremely difficult to ascertain and determine the actual damage which the Corporation will sustain in the event of and by reason of such delay and the parties hereto agree that the Contractor will pay to the Corporation the sum of FIVE HUNDRED DOLLARS per day for liquidated damages for each and every calendar's delay in finishing the work beyond the date of completion prescribed and it is agreed that this amount is an estimate of actual damage to the Corporation which will accrue during the period in excess of the prescribed date of completion.

d) Occupational Health & Safety Regulations

The Contractor hereby agrees to abide by the Occupational Health and Safety Act and all regulations thereto and demonstrate the establishment and maintenance of a health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation as well as the Townships health and safety policy and procedures and are held accountable for their health and safety performance, provide a **WSIB clearance certificate** and ensure the workers in their employment are aware of the hazardous substances that may be in use at a workplace and wear the appropriate personal protective equipment required for the area. Failure to do so will result in immediate stoppage of work until the problem is rectified to the satisfaction of the Township and/or Ministry of Labour. The Contractor shall be responsible for supplying all protective equipment, securing necessary signage, locates and site specific precautions required by the Act and regulations thereto to carry out the required work.

The Contractor shall indemnify and hold harmless the Township of Zorra for all fines and legal fees resulting from activities which are in contravention of the Act. This shall include any fines against the municipality and legal fees defending those fines which are imposed as a result of the Contractors' activities.

The Corporation may deduct any amount under this paragraph from any monies that may be due or payable to the Contractor on any account whatsoever. The Liquidated Damages payable under this paragraph are in addition to and without prejudice to any other remedy, action or other alternative that may be available to the Corporation.

TRAFFIC PROVISION AND CONTROL

The Contractor shall, at their expense, erect and maintain adequate traffic protection, signs, barricades and lights as directed to ensure safety to the public and the smooth flow of traffic at the Construction Site.

The Contractor is to supply necessary signs and posts, and all lights and barricades required; also flag persons, if required.

WORK LOCATIONS

The locations of the paving work are shown on the attached map.

TESTING OF MATERIALS

- a) The Director of Public Works may require documentary evidence to the effect that Materials supplied by the Contractor comply with the terms of the Specifications. Such evidence must be in the form of a certified copy of laboratory report from a recognised testing company acceptable to the Director of Public Works. No costs in connection with these tests shall be borne by the Corporation.
- b) Where a product name is mentioned in these Specifications, the Contractor may use an alternative or substitute product, provided that such product is proven to meet the terms of the Specification as outlined in (a) above.

WEIGHING

The Contractor is advised of the requirements of the Highway Traffic Act with respect to Vehicle Licensing and Loading Restrictions. It will be the truck drivers' sole responsibility should he/she decide to haul in excess of this figure (being the Licensed Capacity). It is the responsibility of the contractor to confirm all quantities and distances shown in this tender.

The Township will pay for all materials received and accepted on the job site under this Contract.
